The Honorable Lewis L. Strauss
Chairman
Atomic Energy Commission
Washington 25, D. C.

Dear Admiral Strauss:

I am in reply to your letter of October 23, 1956,
MAP:GEM, concerning a revision to a previously approved
public announcement of the Navy's atomic depth charge
capability.

I have no objection to the public release of this
revised statement as there appears to be no information
therein which would be of value to foreign intelligence.

Sincerely,

Allen W. Dulles
Director
